MEDIUM

Insolvency data is unavailable

Evidence: Companies House request failed. | Impact: Absence of returned records cannot be interpreted as evidence that none exist.

PRIORITY DILIGENCE

- 1

Retrieve and verify insolvency before relying on this screen.
- 2

Reconcile all public-record conclusions to current management information before making an offer.

Financial scope: Target company - KEYLINE CIVILS SPECIALIST LIMITED (SC042425). Related parent or group accounts are context only and excluded from target ratios and valuation.

Figures shown are extracted filed facts, not just fully-passed ones. The Reconciliation column states whether each statement reconciled, is partially evidenced, or lacks enough evidence - unavailable never means zero.

Public-record acquisition screen only. Not a formal valuation, investment recommendation or due-diligence report. Verify management accounts, cash, debt, working capital, tax and legal evidence before any offer.
